Hot

Please note: All Tec course prices include rentals of standard diving equipment and the technical rig, transportation to and from the dive sites in one of our air-conditioned mini-buses and/ or boat, plus PADI certification where applicable (for student level courses). For instructor level courses no PADI application fees are included. All prices are subject of change, include 18 % VAT and are valid from July 1st, 2011.

We teach all of our Tec diver courses in small groups to ensure that you receive the attention that you deserve.

Extras: PADI educational materials and diving equipment can be purchased from the Happy Divers shop.
